Events for 2004 (Jan-Jun)

Details of CSE events and registration forms are also available on our web site at: http://www.cse.dcu.ie

Next Capability Maturity Model Integration CMMil® Briefing 0.5 17 5 5	Event	Days	Jan	Feb	Mar	Apr	May	Jun
Quality Systems without the Bureaucracy	Awareness Events and Briefings							
Quality Systems without the Bureaucracy	NEW Capability Maturity Model Integration CMMI® Briefing	0.5		17			5	
SPI - the easy way Programme Briefing					19			
Carduate Training Programme Briefing	Software Project Management Training Programme Briefing	0.5	20		9			
Quality and Software Process Improvement			2 01 700 5750					
NEW Capability Maturity Model Integration CMMI® Briefing	Graduate Training Programme Briefing	0.5	2 01 700 5750					
Quality Systems without the Bureaucracy 0.5 24 19 15-17	Quality and Software Process Improvement							
NEW Introduction to Capability Maturity Model Integration CMMI® 3	NEW Capability Maturity Model Integration CMMI® Briefing	0.5		17			5	
Process Modelling Techniques 2 30.31 22.23		0.5		24	19			
1								
Implementing the CMM® to suit business needs					30-31			22-23
Internal Auditing for Software Companies 2			28				12	
Eundamentals of Software Engineering Effective Quality System Implementation 2			Available on-site only					
Effective Quality System Implementation			,					
Selecting the right SPI approach 1			,					
SPI - the easy way Programme Briefing								
Analysis, Design and Implementation Effective OO Programming Using Java 4 17-20 18-21								
Effective OO Programming Using Java 4 17-20 18-21 21-24 Overview of the UML Notation 1 1 4 1 27 2 2-25 1 21-24 Overview of the UML Notation 1 1 4 4 2 10 1 1	SPI - the easy way Programme Briefing	0.5	<u>2</u> 01 700 5750					
Effective OD Design								
Overview of the UML Notation				17-20			18-21	
Use Case Fundamentals					1			21-24
Introduction to Object Orientation 1 Available on-site only Java, C++, VB or C? - Making the Right Choice for Projects! 1 Available on-site only Agile Development Project Management Tutorials – Unified Process 0.5 Available on-site only Overview of Dynamic Systems Development Method (DSDM) 2 Available on-site only DSDM Practitioner 3 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Introduction to Agile Development Approaches 1 Available on-site only Pacification Skills 2 Available on-site only Pacification Skills 2 Available on-site only Pacification Skills 2 Available on-site only Project Management Engineering 2 10-11 27-28 Use Case Fundamentals 1 27 29 Facilitation Skills 2 Available on-site only Project Management Training Programme Briefing 0.5 20 9 Project Management Skills 2 Available on-site only Project Management Fundamentals 2 15-16 6-7 Successful Risk Management Training Programme Briefing 2 15-16 6-7 Successful Risk Management Tutorials – Driffed Process 0.5 Available on-site only Project Management Tutorials – Driffed Process 0.5 Available on-site only Project Management Tutorials – Driffed Process 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – DSDM 0.5 Available on-site only Project Management Tutorials – D					4		10
